## Smoked Venison Sausage at the Chiefs of Ontario Health Forum, Toronto

The lobby of the Hilton was smelling kinda smokey when I served these babies at the COO Health Forum downtown. First I butchered a deer leg. Then I ground up the meat with pork butt and made the sausages. Then I smoked them in the backyard. Finally, I sliced the sausages and made appetizers with garlic aioli and onion sprouts on top, mmmmm. Let's just say there were no leftovers! And the recipe, you ask? Well, you are just going to have to wait for our cookbook to come out on October 7! So stay tuned. Or, [pre-order a copy!](#)

We welcomed in the sweet water season with recipes featuring maple sugar, maple syrup, maple mustard, you get the idea. Conservation Halton's Deer Clan Longhouse never smelled so good! Check out my [Maple Mustard Duck Breast recipe](#). I served this on crostini with pea shoots and peppers.
